

CHARDONNAY

VIN DE FRANCE

From a plot of Chardonnay planted in 1988 by Francis and Pierre-Yves.

Only vine not AOP of the Domaine, this is a Vin de France. This cuvée is composed only of young vines, planted by Pierre-Yves and Olivier. We want to give this cuvée a wine that is fond, fruity, young and fresh. With appetizers, grilled fish, seafood, Burgundy snails and goat cheese from Macon, this wine will delight the Chardonnay enthusiast.
